Our New Daylight Shoe Store

—Is one of the pleasantest spots in the store. It is light, airy, with plenty of room, is partially enclosed, making it practically a big separate store of itself.

—It is attractively arranged, with stocks conveniently at hand.

—It is located in the space formerly occupied by our Kolonial Restaurant, now discontinued. New appointments, comfortable chairs and cheerful salespeople make it a pleasure and satisfaction to select your footwear here.

—Come tomorrow for these specials and see for yourself what a delightful place OUR DAYLIGHT SHOE STORE really is.

OUR NEW ART STORE

—Is right next door to the Daylight Shoe Store, in the space formerly occupied by shoes.

—New fittings, new cases, etc., display to advantage the very latest models in art goods, and very real looking artificial flowers demonstrate what attractive decorations they can make for interior adornment.

—At the front of the Art Store a section is devoted to the display of knitting yarns, and is quite gorgeous with the vivid colors of the yarn and the pretty sweater models illustrating the new stitches.

—At the back of the Art Store is a quiet little spot for our Art Needlework, Crochet, and Knitting Classes. Open windows filled with window boxes make it a delightful spot for doing fancywork.

—Visit the Art Store tomorrow and take advantage of these specials:

Plain Voiles and Printed Ones Large Designs & Small Designs

—Almost anything and everything you have ever dreamed of in the way of figures, dots, scrolls, leaf patterns and floral effects; also wonderful color combinations will be found in the yards and yards and yards of voiles that surge over counters and tables on the street floor.

As a sequel to last week's interesting news we have more new patterns in printed voiles at **38c yd.**

—Among these you will find a number of designs taken from our 50c and 58c lot—patterns which we can not duplicate.

—We also have a splendid line of plain colored voiles at this price.

Walk Over to the Next Table and Look at the Voiles at **58c yd.**

—If you haven't found what you want in the line at 38c, you are almost certain to do so in those at this price. There are many in larger patterns among these and a large number of them in the dark grounds so popular at present.

—Better qualities, but very similar patterns and colors in printed voiles. Yard, 65c.
